BRIEF ABSTRACT OF LETTER

Requests sanction to an additional amount of Rs 215 required over and above the original estimated cost of Rs 1381 sanctioned for the Repairs and improvement of the Taluk Kannada School building at Chikmagalur

NOTES AND ORDERS

Sum of Rs 1,250 was first sanctioned for the extension of the above School building and it was supplemented by Rs 131 being the Establishment and tool ges of the D P W (Vide Govt Vo Pl 25 X 34-5 of 14/3/04) This amount Viz Rs 1

also was transferred from the Civil to the D P W Budget as work was being carried out by the Latter Deptt (by the same order

Afterwards the Chief Engineer in his letter No 2740 dt 11/5/04 stated that it was not necessary to transfer the amount required for establishment and tool charges to the D P W Budget and requested that the amount of Rs 131 referred to together with other similar charges may be resumed to the Civil Budget. Accordingly these amounts were ordered to be resumed to the Civil Budget (Vide G O No 6448-P dt 24/6/04)

The Dept now states that the original estimate sanctioned for the buildings did not provide for certain items of work which have since been found necessary which are estimated to cost Rs 346 and requests sanction to this amount The charge is proposed to be met as follows

As the amount of Rs 131 referred to was already ordered to be resumed from the D P W to the Civil Budget, the total additional amount required Viz Rs 346 will have to be sanctioned and transferred to the D P W Budget Moreover the cost cannot be ordered to be met from the provision for 1903-04 as the official year has already closed unless the expenditure was incurred in 1903-04 in which case, the Comptroller may be

The Dept states that a sum of Rs 1,567-13-0 was spent for the building during 1903-04 He also states that a sum of Rs 1381-0-0 has already been sanctioned for the building and deducting this ~~amount~~ from the ~~act~~ amount actually spent, the balance

of Rs 186-13-0 will have to be debited to the Edl Budget of the past offecial yea

But the actual amount sanctioned for the buildng is only Rs 1,250 and not Rs 1,381 as stated by the I Gl (Vide note above)- The I Gl has added Rs 131 which was first sanctioned and transferred to the D P W Budget on account of the cost of Establishment etc but was again retransferred to the Genl Budget at the Request of the Chief Engr (Vide G O No G 6448-10 R 14/6/02)- and so this amount of Rs 131 cannot be taken ~~into~~ into consideration- The additional amount that has to be sanctioned and ordered to be included in the annual appropriation Statement is Rs 317-13-0 as shown below
